**To Whom It May Concern,**

I am that Jason Engberg asked me to write this letter of recommendation. I have had the opportunity to work alongside and room with him while in India for 30 days treating children in underserved communities. I can confidently say that he would be a valuable addition to The Therapy Centers of PASCO .

Jason demonstrates a strong commitment to patient care, a caring touch and presence while continuously striving to improve his skills and knowledge in the field. His ability to connect with children and understand their needs makes him an excellent practitioner.

Beyond his technical expertise, Jason is a wonderful man who fosters a collaborative and supportive environment. His compassionate nature and passion for music set him apart, making him an asset to any group setting.

I highly recommend Jason for a position at The Therapy Centers of PASCO . Please feel free to contact me if you need any further information.

Sincerely,  
Troy Lavigne
